Subject: Commission's proposal for a common approach to isolation and quarantine + updated agenda 27/11
Attachments: HSC Recommendation - Quarantine - Isolation-senttoHSC.docx

Dear Members of the Health Security Committee,
Dear colleagues,

1. Please find attached the Commission's proposal for a common approach to isolation and quarantine in the EU for comments and suggestions from the HSC Members with the view to adopt it in one of the next HSC meetings.
2. The draft agenda of the next audio meeting (27/11 at 14.00 Lux time) has been updated as follows:
 - Quarantine and isolation (*Commission, HSC*)
 - Experience with population testing (*HSC, SK*)
 - Sharing experience on the using of PLF by countries (*HSC*)
 - SARS-CoV transmission related to minks - update on measures (*HSC, all concerned countries*)
 - Update on JP on vaccine supplies (*Commission*)
 - COVID-19 vaccination communication campaign (*Commission*)

Kind regards,

HSC Secretariat
