COMMUNICATION
Subject: For Info: EU Vaccination Strategy for Covid-19

Dear Members of the HSC Communicators' Network,

For information, I am pleased to circulate information about the just released EU Strategy for COVID-19 vaccines. You can find the press material here: https://ec.europa.eu/info/live-work-travel-eu/health/coronavirus-response/public-health/coronavirus-vaccines-strategy_en. There is also a factsheet at the bottom of the page. The full Commission Communication can be accessed here: https://ec.europa.eu/info/files/communication-eu-strategy-covid-19-vaccines_en.

As the topic of vaccination is always sensitive, we may dedicate a future audio to discuss risk communication. I will keep you informed in due course.

Best regards,
On behalf of the HSC Secretariat
