Subject: FW: Exchange of views with EPHA members on Orphans & Pharma Strategy

Dear [REDACTED]

Many thanks for your e-mail and invitation.

We would be willing to have an exchange of 45 minutes on the orphans & paediatrics review and 45 minutes on the pharma strategy with your members (in one combined webinar).

What would be good date(s) and time slots in the week of January 25 for you?

We look forward to hearing from you.

Best wishes,

[REDACTED]

Subject: Exchange of views with EPHA members on Orphans & Pharma Strategy

Dear all,

I would like to plan a virtual exchange of views between my access to medicines working group members (about 15 EPHA members) and EC representatives on the orphans & paediatrics review as the topic figures prominently on our agenda [REDACTED] it would be great if you could also join such a meeting to update my members on the pharma strategy.

This will be an informal, internal exchange of views just for us to better understand what the next steps will be and to see how we can best contribute.

Would the week of Jan. 25 suit you? Feel free to suggest some dates. We would need 90 mins in total 45 mins on the orphans & paediatrics and another hour or so on the pharma strategy. Please let me know if you have any questions.

Many thanks in advance for your time,
