Main issues discussed

The external participants to this meeting wanted to raise investment protection concerns related to an investment into a bank in Poland. Some aspects of this case are now pending before the European Court of Justice (C-109/20, PL Holdings).

[REDACTED] representatives clarified that the Commission services are not in a position to comment on ongoing court proceedings.

[REDACTED] also informed the external participants about the state of play and the main elements of the new EU investment protection initiative, and about the impact assessment work launched in that framework.
