Subject: Your application for access to documents – GestDem 2021/0318

Dear Ms. Christen,

We refer to your request for access to documents introduced pursuant to Regulation (EC) No 1049/2001 regarding public access to European Parliament, Council and Commission documents (hereinafter ‘Regulation 1049/2001’) registered on 19/01/2021 under the above-mentioned reference number. We also refer to our email dated 09/02/2021 (our reference, Ares(2021)1129263) whereby we informed you that the time limit for handling your application was extended by 15 working days pursuant to Article 7(3) of Regulation 1049/2001.

1. SCOPE OF YOUR APPLICATION

In your application, you request access to:

- 3. All documents held which relate to the European University Institute*
- 4. All documents held which relate to the European University Association*

Given the large number of documents falling within the scope of your request, on 02/02/2021 we contacted you with a view to finding a fair solution based on Article 6(3) Regulation 1049/2001 (our reference Ares(2021)906452). By means of our fair solution proposal, we informed you that we had already identified more than one hundred documents falling within the scope of your application.

Against this background, we asked you to reduce the scope of your application in such a way that would enable its treatment within the extended deadline of 15+15 working days by specifying the objective of your request and reducing the number of documents.

By means of your email of 09/02/2020 (our ref. Ares(2021)1121778), you asked to reduce the scope of points 3 and 4 to the following:

“3. All documents or a summary which provides the funding given to the European University Institute by the EU from 2015 to 2020 inclusive, per year. I am looking for the names of the projects, the name of the department/s providing the funding, and any other details available concerning the funding.

4. All documents or a summary which provides the funding given to the European University Association by the EU from 2015 to 2020 inclusive, per year. I am looking for the names of the projects, the names of the department/s providing the funding, and any other details available concerning the funding.”

2. DOCUMENTS FALLING WITHIN THE SCOPE OF YOUR REQUESTS

The following documents have been identified as falling within the scope of your request, as restricted in the fair solution:

You may reuse documents, which have been produced by the European Commission or by public and private entities on its behalf based on the [Commission Decision on the reuse of Commission documents](#).
