Dear [REDACTED],

Sorry to come back to you once more, but I had some discussions with my Presidency how to make the best use of the half hour that is available for the meeting. Without changing the topics we would like to suggest another format for the meeting as we think that might give more time for an exchange of views.

We kindly suggest to structure the meeting as follows:

1. Opening and welcome – ECSA President 5 min
2. Statement from the Commissioner 15 min including the topics suggested
3. Exchange of views – Commissioner, ECSA President, vice President and Secr. General

Please let me know if this might be acceptable.

Best regards

[REDACTED]
