Dear [REDACTED],

Thank you for your email of 4 November 2020. The President of the Commission asked me to reply on her behalf.

First of all, let me thank you for your keen support for the Commission to proceed with the pay transparency initiative. I wish to reassure you that this initiative, together with the other actions set out in the Gender Equality Strategy 2020-2025, remains at the forefront of the Commission's agenda. One of the Strategy's key milestones is to improve pay transparency in European companies and organisations to reinforce the implementation of the principle of equal pay between women and men. We are working hard to deliver a Commission proposal in the near future and we have therefore learnt with interest about your experience.

Yours sincerely,
