Following an examination of identified documents under the provisions of Regulation (EC) No 1049/2001 regarding public access to documents and taking into account the opinion of the third party, I regret to inform you that a complete disclosure of the documents is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain: names and contact information of Commission staff members not pertaining to the senior management; names and contact details of other natural persons and other information relating to an identified or identifiable natural person.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced.
