I am contacting you because, as you might imagine, EuPC Members are very keen to work & follow your work on the definitions under the Single Use Plastics Directive.

For this reason, I would like to invite you all as speakers for a webinar, open to our Members and stakeholders, to present your work. The idea is to have you present what you can present at moment in time and receive some questions live for an hour/2 hours max.

Of course, EuPC will provide the tools and the location (our office, close to Schuman) to organise this webinar.

Provided your availability, the suggested day is November 26th at 11:00 am. However, we can decide for another date & time.

We could decide on what you wish to discuss and questions.

I remain at your disposal for any further information in this regard.

Kind regards,
