Subject: Your application for access to documents – Ref GestDem No 2021/2696

Dear Mr Fanta,

We refer to your e-mail dated 22 April 2021 in which you make a request for access to documents, registered 26 April 2021 under the above-mentioned reference number.

You requested access to the “*All documents (including meeting minutes, e-mails, etc.) relating to a meeting between Stefanie Hiesinger, Cabinet member of Frans Timmermans, and a representative of pantarhei corporate advisors on February 5, 2021*”.

We have identified one document under the scope of your request registered under the reference Ares(2021)2887578.

Having examined the document under the provisions of Regulation (EC) No 1049/2001 regarding public access to documents, I regret to inform you that a complete disclosure of the document is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain: names and contact information of Commission staff members not pertaining to the senior management; names and contact details of other natural persons and other information relating to an identified or identifiable natural person.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the

legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward any arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the document, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

In case you would disagree with this position, you are entitled, in accordance with Article 7(2) of Regulation (EC) No 1049/2001, to submit a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretariat-General of the Commission at the following address:
