Subject: Invitation to give Keynote Speech: Eurogas Annual Conference 2021 | Gas: Fit for 55? | 25 March 2021 | 15:00-18:00 CET

Dear First Executive Vice-President Timmermans,

I hope this email finds you well.

I am writing to invite you to deliver a keynote address at the **Eurogas Annual Conference**, which is the annual conference of the European gas industry that is held in Brussels and/or online each year. The conference will take place on the **25th of March 2021**. Depending on the sanitary measures in place at that time, the event may be online only or under hybrid format at the Renaissance Hotel. Your speech would be in the opening session, starting at **15:00**.

The conference '**Gas: Fit for 55?**' will look to address the challenges for the energy sector to reduce emissions by 55% by 2030 and a carbon-neutral EU by 2050. During the conference, two panels will focus on whether the EU can keep its leadership in Clean Gas Tech; and how to achieve energy performance of buildings to meet the Green Deal goals.

We would be very pleased if you would address the participants to outline what you expect from the gas industry in relation to an environmentally, socially and economically sustainable transformation of Europe to become the first climate neutral continent.

The keynote would be roughly **10 minutes** in length and would not involve Q&A, unless specifically asked for by yourself.

I would be delighted if you would be able to join us and look forward to hearing from you soon.

Best wishes,
