Subject: EU taxonomy - Interservice consultation - Delegated Acts

Dear Deputy Director General, Ms de la Torre,

My name is [REDACTED] France Industrie as [REDACTED].

[REDACTED] e, and we had the chance to exchange at some occasions when you were Director for Transport in DG RTD.

France Industrie is the professional organization representing French industry. It brings together 24 industry sector federations and the Presidents of 44 major private and public companies operating in all industrial sectors.

We are currently following with great attention the discussions around the EU taxonomy, and in particular the two draft delegated acts being finalized before adoption by the EC in March/April.

We have been informed that the texts will enter soon into inter-service consultation, notably at DG CLIMA.

We would like to propose you to discuss the topic.

Would you be available to exchange views via videoconference (1/2h)?

Thank you very much for your consideration, looking forward to our next exchange.

Best regards,

Rue de Trèves, 45
