NOTE TO THE FILE

Subject: Meeting between Mauro Petriccione, Director General and 

Hydrogen Europe

Participants:

- Hydrogen Europe: 
- DG Climate Action: Mauro Petriccione (MP), Director General, 

Hydrogen Europe presented in a summary of their latest publication, the Hydrogen Act. They presented their views on how to deploy the European hydrogen market, the revision of the TEN-E and RED II as well as Guarantees of Origin. DG Petriccione outlined the need for clear parameters and thresholds for hydrogen, the role the Innovation Fund can play and the possible introduction of carbon-contract for difference.
