Dear Commissioner, dear Miguel,

I would wholeheartedly like to thank you for your participation and contribution at the European Energy Forum debate yesterday. Your presentation was inspiring, thought-provoking and highly insightful.

I was told that you stayed a long time and kindly answered to the questions of our Members, both MEPs and the industry, which was truly appreciated by them.

Once again, I am personally very grateful to you for your availability and the time you dedicated to us and our common very important topics of energy and climate.

With warm personal regards,

Jerzy Buzek
