NOTE TO THE FILE

**Subject: Meeting between Mauro Petriccione, Director General, [REDACTED]
[REDACTED] Gas Naturally and [REDACTED] IOGP**

Participants:

- Gas Naturally: [REDACTED]
- DG Climate Action: Mauro Petriccione (MP), Director General. [REDACTED]

Gas Naturally presented in brief the company and the potential role of gas and carbon capture utilisation and storage in the decarbonisation of the economy. They presented their views on the revision of the TEN-E and announced the release of a new study Hydrogen4EU. DG Petriccione outlined some key aspects about the extension of the EU ETS, the delegated act on taxonomy, the Innovation Fund and the future role of combustion technologies in the automotive sector. On hydrogen, Gas Naturally presented their view on the evolution of the infrastructure needs. DG Petriccione invited to share the Hydrogen4EU study once published.
