Report of virtual meeting between HoC Michael Hager and BASF

Date: 13th October 2020

Attendees: Michael Hager (European Commission), [REDACTED] BASF)

Subject: EU Trade Policy Review

HoC Hager explained the procedure for the review of the EU's trade policy, in light of the major changes to the global context in the past year, not least the Covid pandemic, as well as the priorities of the von der Leyen Commission, including the green and digital transitions. He encouraged all stakeholders to make their contribution to the public consultation ongoing.

[REDACTED] explained the elements of BASF's priorities for the trade policy review. She also gave a presentation on how BASF is contributing to Green Deal objectives.

Subject: RE: [EXT] RE: Call/ introduction

Morning Michael,

Congratulations for the appointment of Commissioner Dombrovskis for his new portfolio!

Coming back on our below exchange, when would be best for you for a catch-up call?

All the best,
[REDACTED]

Dear [REDACTED]

Thank you for your message. Sure, a call will be possible. I would suggest to schedule the call after the hearing of EVP Dombrovskis.

Best,
Michael Hager

Subject: Call/ introduction

Dear Mr Hager,

We haven't had the pleasure yet to meet in person or by video/call. I used to be in the team of [REDACTED] EU Basf Office and would be very pleased to have the chance to briefly connect, introduce myself and exchange on some of our key low carbon process technology projects that will further support the Green Deal.

Would you be available for a call/ coffee in the course of next week?

All the best,
[REDACTED]
