Dear [REDACTED],

From a Maersk perspective we would appreciate if we could discuss the following elements:

- General market conditions and outlook for the sector and congestion;
- Fit for 55 and how this ties into our methanol investments (including FuelEU, ETS and taxonomy);
- IMO expectations ahead of MEPC77.

We of course stand at Henrik's and [REDACTED] disposition for any other topic they may wish to raise.

Please find below the information required for the meeting (please note that we are all three of us vaccinated):

Dear [REDACTED],

Thank you for your mail. Yes we have just found the right flights and so 17h on 28/09 at DG MOVE with Henrik and [REDACTED] is perfect.

I will also follow-up with an address for dinner with [REDACTED] afterwards. Am I right in remembering that she is vegetarian and would you know if this also mean that she doesn't eat fish?

Best regards,

[REDACTED]

Dear [REDACTED]

Dinner for Henrik will not work. But a meeting will. Would Tuesday, 28/09, at 1700hrs be ok? If not, we could look for timing around midday

the following day. But Wednesdays are complicated☺
And I will be happy to join for a dinner, for now both days work so let me know your preference!
cheers

Dear [REDACTED],

No problem, I just discovered I should also be careful not to unmute during IMO meetings...

Indeed, we would be flexible in terms of timing and format to accommodate a meeting with Henrik, if at all possible with such short notice.

And yes, I have just reached out to [REDACTED] in the CAB as well.

Thanks

Ok, so it is either forgetting to unmute or pressing 'send' too fast that I still do after all those years☺ Let me start again:

Dear [REDACTED],

Thank you, all well here. Getting busy at times – and thank you for kind words re Capital Link. I have a few thoughts to share about the event but maybe I'll do it when we meet:) But with ShippingWatch article re-telling details of the discussion published today, I expect some interesting follow ups☺

Good to hear that you will be coming over, indeed, many topics to discuss and nothing beats a face to face exchange. I am checking with Henrik and will let you know; I assume that if a dinner does not work for him you would be interested in meeting him anyway (at least this is what I indicated). I will adjust my agenda to his.

Will you also be meeting our CAB? (just asking for coordination reasons).

Best regards, really looking forward to meeting you both in Brussels!

Dear [REDACTED],

I trust that this email finds you well.

As we are hopefully moving to a more normalized way of life post-corona [REDACTED] and I are planning to take some meetings in Brussels at the end of this month (likely 28-30 September).

There are of course a lot of things on the agenda right now, also beyond decarbonization [REDACTED] and I were therefore wondering whether you (and possibly Director General Hololei?) would have time for an informal early dinner on 28th or 29th?

Best regards,

[REDACTED]

PS: Congrats on very good interventions and comments at the Capital Link event, not an easy audience.
