CMA CGM environmental RD strategy.pdf

Dear [REDACTED] and [REDACTED], Dear all,

Many thanks for our meeting last Thursday to discuss CMA CGM's decarbonization strategy and the current regulation aimed at reducing emissions in the shipping sector.

Attached you will find the presentation of our R&D roadmap.

As mentioned, we would welcome regular meetings with DG MOVE to update you on our projects and the give you some feedback on regulatory developments. If this is convenient, we could aim for another meeting before the end of the year. I will get back to your secretariat late October to find a date.

In the meantime, feel free to contact me for any additional information.

We look forward to continue exchanging views.

Best regards,
