- **Document 3:** Background document of 17 July 2019,
- **Document 4:** Table of specific amount of waste water discharged
- **Documents 5 and 6:** Presentations on Emissions to water

¹ DG Environment: GestDem 2021/5116; DG Health and Food Safety: GestDem 2021/5114, DG Internal Market, Industry, Entrepreneurship and SMEs: GestDem 2021/5105; DG Climate Action: GestDem 2021/5136.

- **Document 7:** Comments from EURATEX2 within the Working Group related to the mentioned chemicals received on 27 March 2020 - registered under the reference Ares(2021)5421777
- **Document 8:** Comments from the EEB³ within the Working Group related to the mentioned chemicals received on 27 March 2020 - registered under the reference Ares(2021)5421848

You may reuse public documents, which have been produced by the European Commission or by public and private entities on its behalf based on the [Commission Decision on the reuse of Commission documents](#). You may reuse the documents disclosed free of charge and for non-commercial and commercial purposes provided that the source is acknowledged and that you do not distort the original meaning or message of the documents. Please note that the Commission does not assume liability stemming from the reuse.

Please note that documents originating from third parties are disclosed to you based on Regulation (EC) No 1049/2001. However, this disclosure is without prejudice to the rules on intellectual property, which may limit your right to reproduce or exploit the released documents without the agreement of the originator, who may hold an intellectual property right on them. The European Commission does not assume any responsibility from their reuse.

We transmit also the message from EEB that the Office remains at your disposal for direct / bilateral approach in case of further exchange need on the matter. You may find the contacts on the EEB website at: <https://eeb.org/who-we-are/staff/>

Yours faithfully,

Head of Unit
