Subject: RE: Heterologous vaccination - country's experiences

Dear [REDACTED], thank you for this, much appreciated.

Since we have quite a busy agenda for the HSC meeting taking place tomorrow, this point of the agenda will be discussed during the HSC meeting next week 16 June.

If you wish to use a PPT presentation for this intervention, you could send it to us on Tuesday 15 June so that we can share it with all the participants during the meeting, in the Webex Event session.

Kind regards,

[REDACTED]
HSC Secretariat

Dear Secretariat,

I am sorry, I have not read your mail until this afternoon
Thank you very much for the proposal. I am not sure if I will have time for preparing a ppt, but if you are still interested I could feed-back de HSC about our experience anyway.
Just let me know.

Best regards

Asunto: Heterologous vaccination - country's experiences

Dear colleagues, good morning,

The next HSC meeting will take place on **Wednesday 9 June**. During this meeting, we would like to discuss heterologous vaccination ("mix and match").

Therefore, we would like to know if you would be willing to present your country's experiences regarding heterologous vaccination during the next meeting? A 5-10 minutes presentation would be good.

Many thanks in advance.

Kind regards,

HSC Secretariat
