Dear SANTE HSC Team,

Unfortunately I will not be available for the meeting next Tuesday, July 6th.

I would like to use this mean for expressing our **favorable** position regarding the changes introduced in the “COMMISSION IMPLEMENTING DECISION (EU) .../... of XXX amending Implementing Decision (EU) 2017/253 as regards alerts triggered by serious cross-border threats to health and for the contact tracing of exposed persons identified in the context of the completion of Passenger Locator Forms” and its annex.

The amendment proposed fits much better the real actions over close contacts of confirmed cases carried out by Member States.

Thank you very much for this document.

Best regards
