Subject: Request to know the status of three applications for Romanian GIs

Dear Art. 4.1(b) ,

I hope you are doing well (despite homeworking).

I was wondering who should I address to know the status of the applications for a Romanian TSGs (see below). It has been submitted quite a long time ago (2019) and the producers still have not received any feedback and would like to know what is the situation and if they can do anything to help. It would be very kind of you if you could redirect me to the person I should get in contact with to get more information.

The three Romanian PGI:

- Name: Salată tradițională cu icre de crap / File number: TSG-RO-2457

Many thanks in advance for your feedback.

Best regards,
