Subject: FW: Visit invitation: EU Organic day - breakfast and signing ceremony

Dear Personal Data,

Thank you very much for the quick talk a few minutes ago on the EU Organic day – breakfast and signing ceremony!

I would thank you very much for the interesting invitation! To my major regret, I will have my Cogeca Praesidium on Thursday morning and therefore, I cannot attend this event.

However, as agreed, I will send you the coordinates to a possible replacement, Personal Data, our Copa Personal Data - Personal Data who is very much involved with the organic sector himself. He is Personal Data Person Croatian Chamber of Agriculture, full member organisation of Copa. Personal Data can take the floor for Copa-Cogeca during the proceedings, too.

Please send Personal Data @komora.hr) the necessary links for his registration. If necessary, please keep me informed on anything that our Copa-Cogeca team can help you with!

I wish you a successful event on the EU Organic Day!

Yours,

Personal Data

Copa-Cogeca
