

## **Meeting with Eurogas – 35<sup>th</sup> Madrid Forum 09/04/2021**

B2: [REDACTED]

ENTSOG: [REDACTED]

Eurogas representatives inquired about organizational aspects of the upcoming 35<sup>th</sup> Gas Regulatory Forum. Following points were raised:

- Based on the agenda Eurogas will consider under which agenda points they will provide an intervention and inform DG ENER.
- The Eurogas position on topics of hydrogen regulatory framework are under development currently. However, they will aim at providing input on these topics to the discussion at the Forum.
- DG ENER clarified, that the topic of guarantees of origin for gases is discussed in the framework of the amendment of the Renewable Energy Directive and is not included as a specific topic at the agenda of the 35<sup>th</sup> Madrid Forum.
