## BTLE Expert Subgroup meeting

18 March 2021, Remote

#### Item 4: EDPB Statement on international agreements - addition of reference to international agreements under the LED Discussion

The Coordinator provided a presentation of the work carried out so far on this document, which was initially drafted by the ITS ESG. The Coordinator clarified that, following the suggestions made by delegates, this Statement includes references to the LED and the GDPR.

The BTLE ESG members approved the Statement and some proposals for modification, which included additional references to agreements in the LED area. The Coordinator informed the delegates that the draft will be submitted at the next Plenary Session on 13 April 2021.
