

Final

ITS Expert Subgroup meeting
18-19 June 2019, EDPB premises

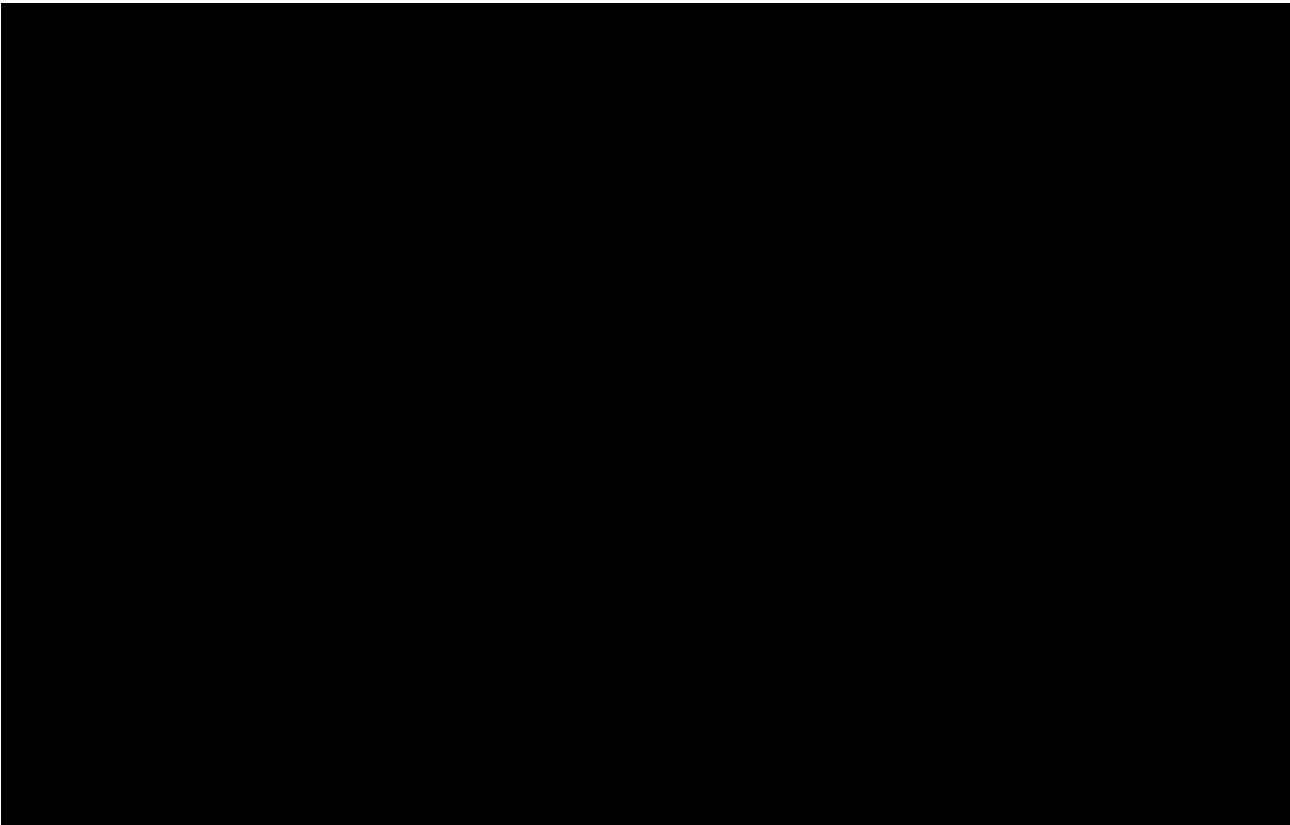

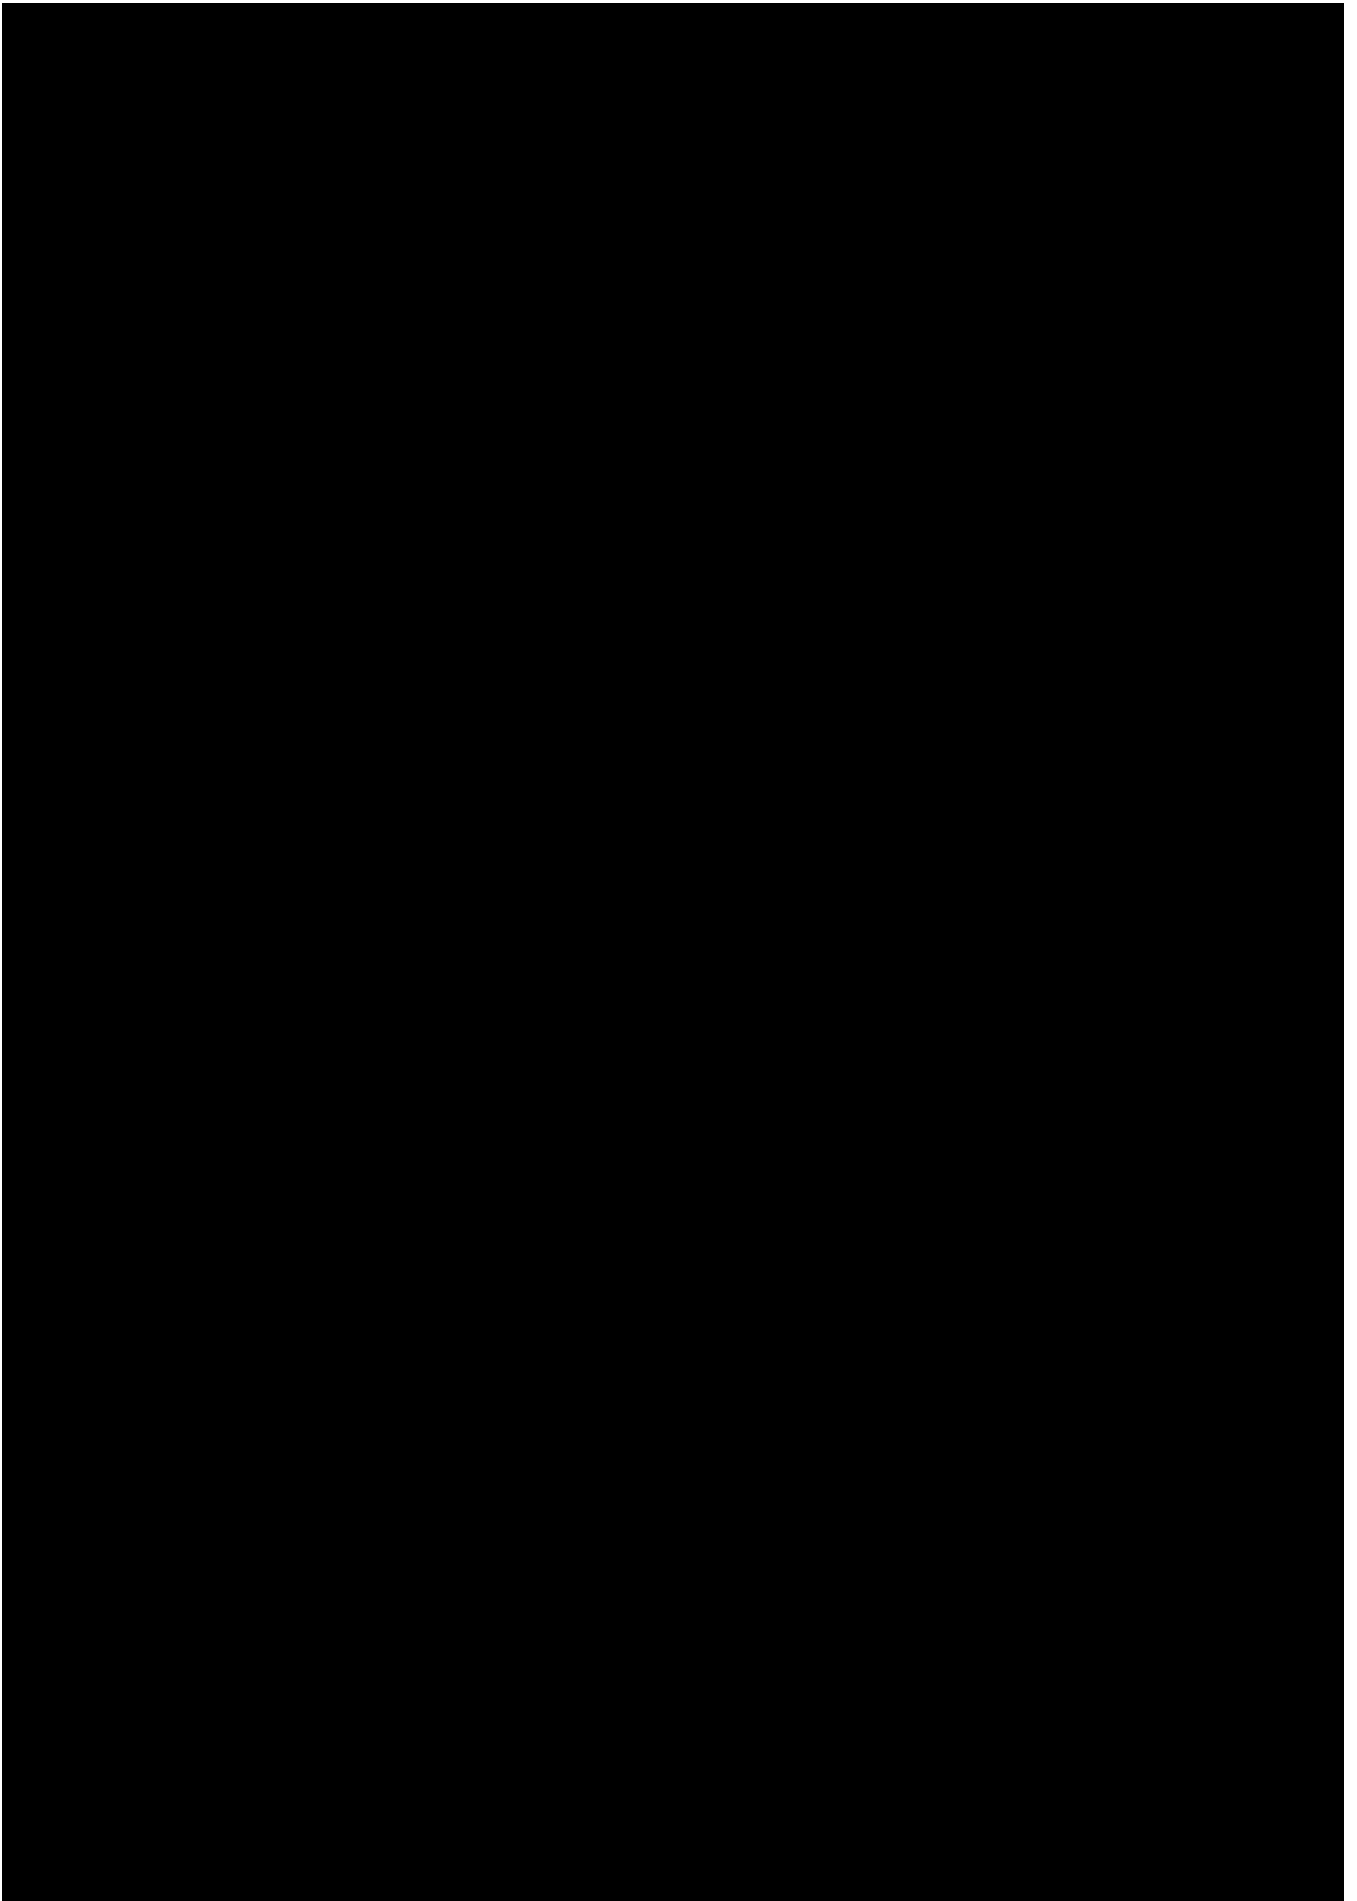

4. Guidelines on article 46.2.a & 46.3.b GDPR ()

The members of the expert subgroup discussed some main points as raised by the rapporteur. They agreed that the agreements should be between the public authorities which are exporters and importers. Furthermore, the nature of such agreements and arrangements and whether these can take the form of treaties was discussed.

The members of the expert subgroup shall send comments to the rapporteur by 28 June. During the next meeting the revised draft will be discussed with an aim to finalise it and submit for adoption in November plenary at the latest.
