

Videoconference with Austrian Federal Economic Chamber (WKÖ) on post Covid-19 recovery
09/03/2021

Participants

Commission: Valeria Miceli (Cabinet von de Leyen)

Minutes

The meeting concerned the post Covid-19 recovery and how to best contribute to the EU goals from a business perspective. In particular, several topics were touched upon: Digital green certificates; Austrian post Covid-19 recovery and RRP; Industrial strategy and the role of SMEs. Also sustainable finance and taxonomy were dealt with in very general terms providing an overview of the process and of the main aims of the Commission in this field.
