Dear [REDACTED] ,

Thank you for the invitation and will be (virtually) present for this meeting 😊  
Is there an agenda or is it a simple courtesy meeting?

Dear [REDACTED]  
[REDACTED] has a meeting with CMA CGM on Friday, 23 October 11:00-11:30.  
Topics of the meeting: their activities, their decarbonization strategy and the current regulatory agenda relating to maritime transport.  
Could you suggest a colleague from DG MARE who would be interested to join the meeting, please.  
Huge thanks for your help!  
Kind regards,

Dear [REDACTED]

Thank you for your response. We would indeed welcome a meeting with Ms Bursi, to briefly discuss our activities, our decarbonization strategy and the current regulatory agenda

relating to maritime transport. The 23<sup>rd</sup> October at 11:00 works for us.

I will be joined by our Sustainability Director, [REDACTED]

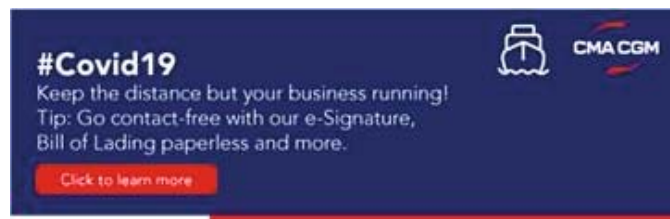

Please let us know what videoconferencing platform you prefer. We use Microsoft Teams. If this is convenient, we can send you an invitation.

For your information, we recently had an introductory meeting with [REDACTED] in charge of the blue economy at the Cabinet.

Best regards,

Dear [REDACTED]

We acknowledge with thanks your request.

I must inform you that, due to Members' of Cabinet extremely busy agenda and enormous amount of work, we have some delay in answering to all meeting/event requests.

If you are still interested in meeting Ms Bursi who is responsible for this topic in our Cabinet, I could propose a slot on 23 October 11:00-11:30. Would that suit you?

Kind regards,

Dear [Redacted]

I represent the [CMA CGM Group](#), a global leader in transport and logistics.

I would like to inform you of the new procedures put in place by our company to fight illicit trafficking in protected species and tighten our shipment controls.

Attached, you will find a press release on this topic.

I would welcome a meeting with you in coming weeks to present our activities, our actions to reduce carbon emissions and protect biodiversity.

Thank you and best regards,
