It was a pleasure to see you both again last week. Thank you for your time and for an constructive exchange across a range of important topics – DSA, DMA, and targeted ads, as well as the EU Copyright Directive.

 We continue to explore these issues, and would of course be happy to discuss them with you in more detail if it would be useful.

I am grateful for our continued dialogue on these important topics. My team in Brussels remains at your disposal should you have any questions or needs.

Next time, let's hope to be able to get together in person!

Sincerely,
