- > I'm contacting you on behalf of the European Data Protection Board
 - > Secretariat, an independent EU institution. We are currently using
 - > Confluence as a collaborative tool 
 - , to enable national
 - > data protection supervisory authorities to exchange and share knowledge
 - > on GDPR related subjects. We have implemented a legal library, meeting
 - > agendas, calendars and eventually we want to use it also as a place for our
 - > Plenary agendas to be developed and stored.
