

Final

ITS Expert Subgroup meeting
9-10 November, Remote

[REDACTED]

5. Codes of conduct as tools for transfers: presentation of the contributions from the public consultation on the GL 04/2021 ([REDACTED] SA)

The lead rapporteur presented the discussion paper, which contain a summary of the most relevant points raised by stakeholders in the context of the public consultation. Many of the contributions welcomed the guidelines and the check list of elements and their detailed explanations.

[REDACTED]

The members of the ITS ESG also agreed on the need to ensure consistency with the discussion taking place in the context of the impact of the Schrems II for BCRs.

[REDACTED]

The members of the ITS ESG also agreed on the need to ensure consistency with the discussion taking place in the context of the impact of the Schrems II for BCRs.

The members of the ITS ESG were invited to share comments on the document by 19/11. The rapporteurs will then present an updated version of the Guidelines for discussion at the December ITS ESG meeting, with the aim to adopt it at the January Plenary meeting.

6. Certification as a tool for transfers ([REDACTED] SA)

The rapporteurs explained that the general part of the document is almost finished. There was a discussion on what the document currently includes and the potential editorial changes agreed upon by the ITS ESG members. The rapporteurs presented the changes made after the last ITS ESG meeting. The need to ensure consistency with the concepts used in the Guidelines on certification and accreditation was emphasised.

[REDACTED]

Some wording changes were also agreed on paragraph 17 to avoid any misunderstanding regarding the potential need for supplementary measures. [REDACTED]

The rapporteurs will send a new version of the guidelines on 17 November, for comments until the 24 November. An updated version will then be shared on 26 November for comments until 1 December, with the aim to share it for adoption at the Plenary on 14 December.
