Dear [REDACTED],

Thank you for your e-mail.

Kindly allow me to respond as my colleague [REDACTED] no longer works at Edelman.

May we ask who the new cabinet member is in charge of the aviation portfolio?

Thank you in advance.

Best wishes,

Dear Ms. [REDACTED]

Thank you very much for your email and apologies for our late reply.

Unfortunately, the agenda of our Commissioner is fully booked until the end of October making it very difficult to accept the meeting requested by [REDACTED].

Cabinet Vălean as a new member for the aviation portfolio. Since she never met you, could we propose a meeting at service level with our new member of cabinet instead? She will be the best placed to convey any urgent message to the Commissioner.

Would this option work for you?

Thank you very much for your understanding and I stay at your disposal if needed.

Kind regards,

[REDACTED]

Dear Commissioner Vălean,

Kindly allow me to follow up on my email below regarding a **meeting request on behalf of Mr. [REDACTED] of International Airlines Group (IAG)**. IAG is the parent company of pan-European airlines such as Iberia, Aer Lingus, British Airways and the new generation carriers Vueling and LEVEL.

In this regard, Mr. [REDACTED] would appreciate the opportunity to meet with you virtually **to introduce IAG and to discuss the future of the airline industry, following the COVID-19 pandemic, as well as the group's efforts towards a more sustainable aviation industry.**

In addition, **the Digital Green Certificates, as well as the efforts to ensure the recovery of the travel industry and Sustainable Aviation Fuels in Europe are of particular importance to IAG**, which is why Mr. [REDACTED] would also like to take the opportunity to **exchange views regarding upcoming key aviation files to discuss how can the group best contribute to making the sector more sustainable.**

I would be grateful if you could let me know what date/s and time would be compatible with your agenda, and of course, we remain flexible as regards your availability.
