Dear [REDACTED]

Thanks a lot for the invitation, that I am happy to accept.

I hope we will also have the opportunity to discuss the follow-up to the conference and future joint activities. I will call you to coordinate when that meeting could take place (I should be in Tunis already on 1 Feb and still quite flexible with my schedule).

Please convey my and my colleagues' thanks and appreciation once more to Dr Koman and to all the staff of the AIMC who contributed to make the first EABSC a success.

I am looking forward to meeting you all again soon.

Dear [REDACTED]

I hope that this email finds you well.

Once again, thank you for the close coordination and good cooperation that guaranteed the success of the 1st EABSC .

Please kindly note that H.E. [REDACTED] the AIMC Secretary-General, is planning to host an Arab-EU Ambassadors' Lunch to shed light on the constructive cooperation in security matters between the AIMC and the relevant EU stakeholders, including Frontex for sure!

The lunch will take place in the AIMC Secretariat General's premises in Tunis on February the 3rd 2022, at 13.00

Therefore, it would be our pleasure to invite you to attend the lunch, which would be a good opportunity to discuss ways of further strengthening cooperation between our Organizations.

In the hope that your agenda will allow you to join us, I'm looking forward to receiving a positive answer and meeting you soon.

Once more, thanks for your continuous active role in boosting the cooperation between the AIMC and Frontex.

Best regards.
