Dear [redacted],

Apologies for the number of messages this past days, but I would like to share with you the attached joint position paper on the DMA trilogues co-signed by 8 organisations representing the whole spectrum of European media (public and private broadcasters, press publishers).

We very much look forward to supporting the negotiators' work by providing you with any additional information needed to achieve a strong EU framework for digital markets.

I wish you all the success in this endeavour as well as a restful weekend.

Kind regards,
