

Minutes of meeting

Date: 27 April 2022

Entity: In person meeting with Enagas

Commission's representatives:

Diederik Samsom, Head of Cabinet

Aleksandra Tomczak, Member of Cabinet

Summary of the discussion:

The meeting with Enagas focused on discussing the current gas supply situation in Europe, in the context of the EU objectives to phase out the dependency on Russian natural gas, and the role that the Iberian peninsula can play in delivering higher volumes of LNG to EU Member States, with the view to preparing for hydrogen transport in the medium to long-term perspective.
