Subject: Meeting with BDI President and Director General in Brussels; 8 July (or videocall)?

Dear [REDACTED]
dear Madam or Sir,

BDI President Siegfried Russwurm and BDI Director General Joachim Lang will travel to Brussels on 8 July and would like to meet with Commissioner Simson to discuss the upcoming EU initiatives in energy related legislation ("Fit for 55" Package). As you may know, BDI is the Federation of German Industries representing 100.000 companies from 39 sectors of (mainly manufacturing) industry. We have already been in touch with the previous Commissioners and their services and would like to continue this exchange.

We would therefore like to inquire whether the Commissioner is available for a meeting in Brussels on this day. We could also try to set up a video meeting on another day (preferably before), if a meeting in person is not possible. And of course – if Ms. Simson is planning a mission to Berlin in the upcoming months, we would also be delighted to arrange a meeting there.

I am looking forward to hearing from you and remain available for any questions you may have.

Best regards
