Member of Cabinet of Executive Vice President Frans Timmermans  
European Green Deal  
EUROPEAN COMMISSION  
Rue de la Loi 200  
1049 BRUSSELS

Dear Mr. Agotha,

On behalf of the American European Community Association, I am writing to express my sincere thanks for joining us as Guest Speaker at the AECA Conference-Luncheon that was hosted by [REDACTED], ExxonMobil, on Tuesday 8th March 2022 at De Warande.

Your introductory address on the theme ***“Fit for 55 – Europe’s ambition towards Climate Neutrality”*** was excellent, spelling out the Commission’s current key set of proposals and the legislative tools to revise the entire EU 2030 climate and energy framework.

AECA members greatly appreciated your insights on the pros and cons of various energy sources, the impact of the Ukraine-Russia war on the European energy supply, as well as your in-depth analysis of the main initiatives including the deployment of alternative fuels infrastructure, the directive on energy efficiency and emission standards.

The debate was a lively, very worthwhile one, that I trust you also found to be fruitful.

On behalf of AECA let me express all best wishes for continuing success in your challenging role.

Yours sincerely.
