

Meeting with [REDACTED] Amazon [REDACTED]

12 April 2022

Participants:

Cabinet President von der Leyen: Anthony Whelan

Amazon: [REDACTED]

The meeting took place at the initiative of Amazon, to discuss recent developments in digital policies.

Amazon mentioned the following topics:

- Interplay between the ongoing review of the Vertical Restraints Block Exemption and the Commission' ambition for an EU fit for the digital age;
- Scope of safety obligations in the Digital Services Act;
- Regulatory dialogue provisions in the Digital Markets Act;
- Data flows and digital sovereignty in cloud policy.

The President Cabinet took note of Amazon's views and recalled the main principles underlying the respective Commission proposals.
