Cybersecurity Technology and Capacity Building

Brussels
CNECT.H.1.002/

Subject: BTO: Meeting with ZTE 28.09.2021

Date and location of the meeting: 28 September 2021, 16:30-17:30, online

List of participants:

- ZTE: [REDACTED]
- CNECT H1: [REDACTED]

Main topics discussed:

- ZTE explained that the company underwent several changes to be more 'transparent' and become more 'Western'.
- ZTE emphasized its commitment to be transparent, open and cooperative with governments and authorities.
- ZTE has several cybersecurity labs in China, Brussels, Bonn, Rome, and is trying to open more in Europe.
- ZTE stressed the importance and its commitment to cybersecurity. It has a good cooperation with security standard organisations such as GSMA and is GSMA-NESAS compliant.

[REDACTED]

Decision making process

- ZTE and CNECT agreed to meet again at some point in the future to talk about cybersecurity.
