Subject: Your application for access to documents – Ref GestDem No 2022/4220

Dear Ms Douo,

We refer to your e-mail of 15 July 2022 in which you make a request for access to documents, registered on 22 July 2022 under the above-mentioned reference number.

You requested access to the following documents:

- 1. all correspondence, including attachments (i.e. any emails, mail correspondence or telephone call notes) between DG CLIMA, including Commissioner Timmermans and his cabinet and/or officials, and the company Cheniere;*
- 2. a list of all meetings and/or calls attended by DG CLIMA, including Commissioner Timmermans, any Cabinet Members and/or official, that were attended by Cheniere as well; The list should include: - date, individuals attending and organisational affiliation, list of issues discussed, as well as minutes and other reports of these meetings and/or calls; - all documents prepared for the purpose of the meetings issued both in preparation and after the meetings took place*

Your application for access to documents covers topics falling under the responsibility of different Commission services. In that regard, your request was split into separate requests, whereby each part is attributed to the respective Commission service under a separate Gestdem reference number¹. Each service provides its own, separate reply, which relates only to the documents originating or received by that service. In this regard, this reply corresponds only to the documents held by the Directorate General for Climate Action.

We regret to inform you that the Commission does not hold any documents that would correspond to the description given in your application.

As specified in Article 2(3) of Regulation (EC) No 1049/2001, the right of access as defined in that regulation applies only to existing documents in the possession of the institution.

Given that no such documents, corresponding to the description given in your application, are held by the Commission, the Commission is not in a position to fulfil your request.

As regards point 2) of your request, please note that the list of meetings with organisations and self-employed individuals of the Commissioner, the members of his Cabinet and the Director-General of Directorate-General for Climate Action is available in the links enclosed below:

As regards the list of meetings of the staff of the Directorate-General for Climate Action, please note that the officials of the European Commission having the status of Director-General shall make public information on all meetings held by them with organisations or self-employed individuals on issues relating to policy-making and implementation in the Union in accordance with the Commission Decision 2104/838/EU, Euratom of 25 November 2014². However, the same obligation does not apply to lower-ranking officials, such as the remaining members of the Directorate-General for Climate Action.

The Court of Justice held that ‘the right of access to documents of the institutions applies only to existing documents in the possession of the institution concerned and [...] Regulation No 1049/2001 may not be relied upon to oblige an institution to create a document which does not exist. It follows that, [...], an application for access that would require the Commission to create a new document, even if that document were based on

information already appearing in existing documents held by it, falls outside the framework of Regulation No 1049/2001³.

In the present case, the Directorate-General for Climate Action does not hold any list of all meetings of its staff with the specific organisation concerned by your request in addition to the publicly available information on meetings of the Director-General, which is accessible via the abovementioned link. In this respect, I would like to confirm that compiling such a list in order to fulfil your request would equal to the creation of a new document, as neither can such a list be extracted from a database by means of a normal or routine search.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretariat-General of the Commission at the following address:
