Ethics Opinion

Conditional ethics clearance (clearance is subject to conditions, i.e. ethics requirements. The requirements must either be fulfilled before grant signature or become part of the grant agreement)

External Independent Ethics Advisor/Board

In your opinion, would it be exceptionally necessary to appoint an external independent ethics advisor or an ethics board (with a minimum of three experts) reporting periodically to the Commission/Agency/funding body?

Yes (Ethics Advisor)

The research involves recruit of, and use of personal information about, vulnerable people with mild cognitive impairment and children living with autism spectrum disorders. Healthy volunteers will also be recruited as participants. Sensitive personal information such as ethnicity will also be analysed. The project also involves Artificial Intelligence and transfer of data from and to a non-EU country (Switzerland).

A second report by the ethics advisor should follow on M48 along with the periodic report.

General requirement applicable to all grants

Associated with document Ref. Ares(2022)1956882 – 17/03/2022

The beneficiaries must ensure that all ethics issues related to activities in the grant are addressed in compliance with ethical principles, the applicable international and national law, and the provisions set out in the Grant Agreement. This includes the ethics issues identified in this report and any additional ethics issues that may emerge in the course of the grant. In case any substantial new ethics issues arise, beneficiaries should inform the granting authority. For each ethics issue applicable, beneficiaries must follow the guidance provided in the [How to complete your ethics self-assessment](#).

This electronic receipt is a digitally signed version of the document submitted by your organisation. Both the content of the document and a set of metadata have been digitally sealed.

This digital signature mechanism, using a public-private key pair mechanism, uniquely binds this eReceipt to the modules of the Funding & Tenders Portal of the European Commission, to the transaction for which it was generated and ensures its full integrity. Therefore a complete digitally signed trail of the transaction is available both for your organisation and for the issuer of the eReceipt.

Any attempt to modify the content will lead to a break of the integrity of the electronic signature, which can be verified at any time by clicking on the eReceipt validation symbol.

More info about eReceipts can be found in the FAQ page of the Funding & Tenders Portal.
