for potential violations of fundamental rights

Monitoring system in return operations

Forced return monitor

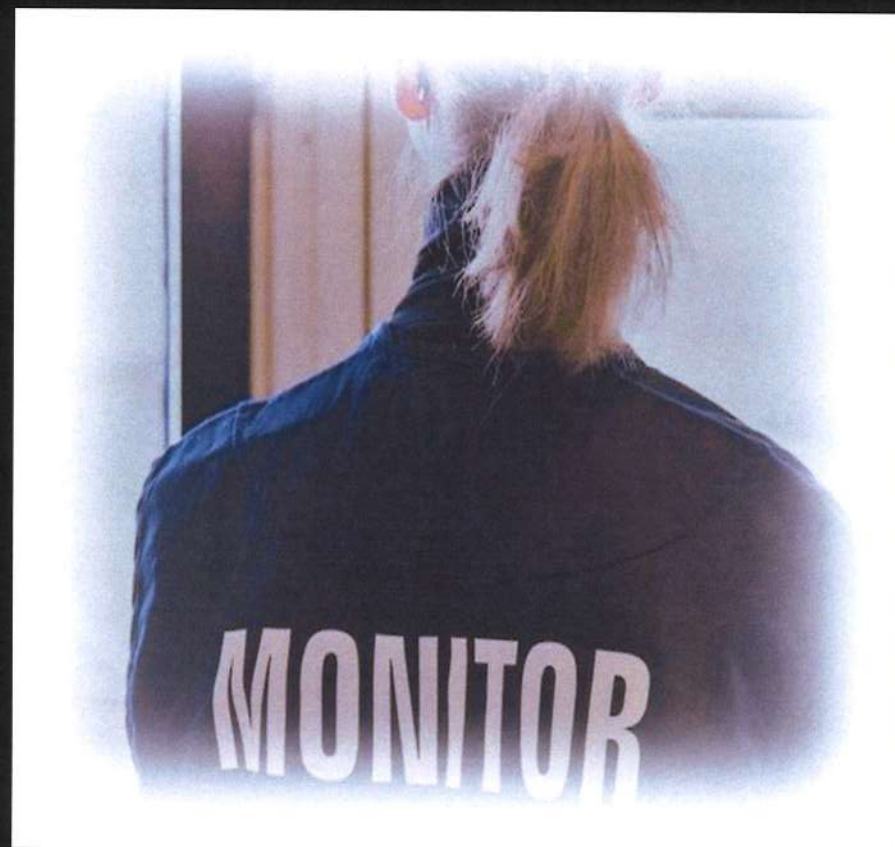

Every return operation shall be monitored on the basis of objective and transparent criteria

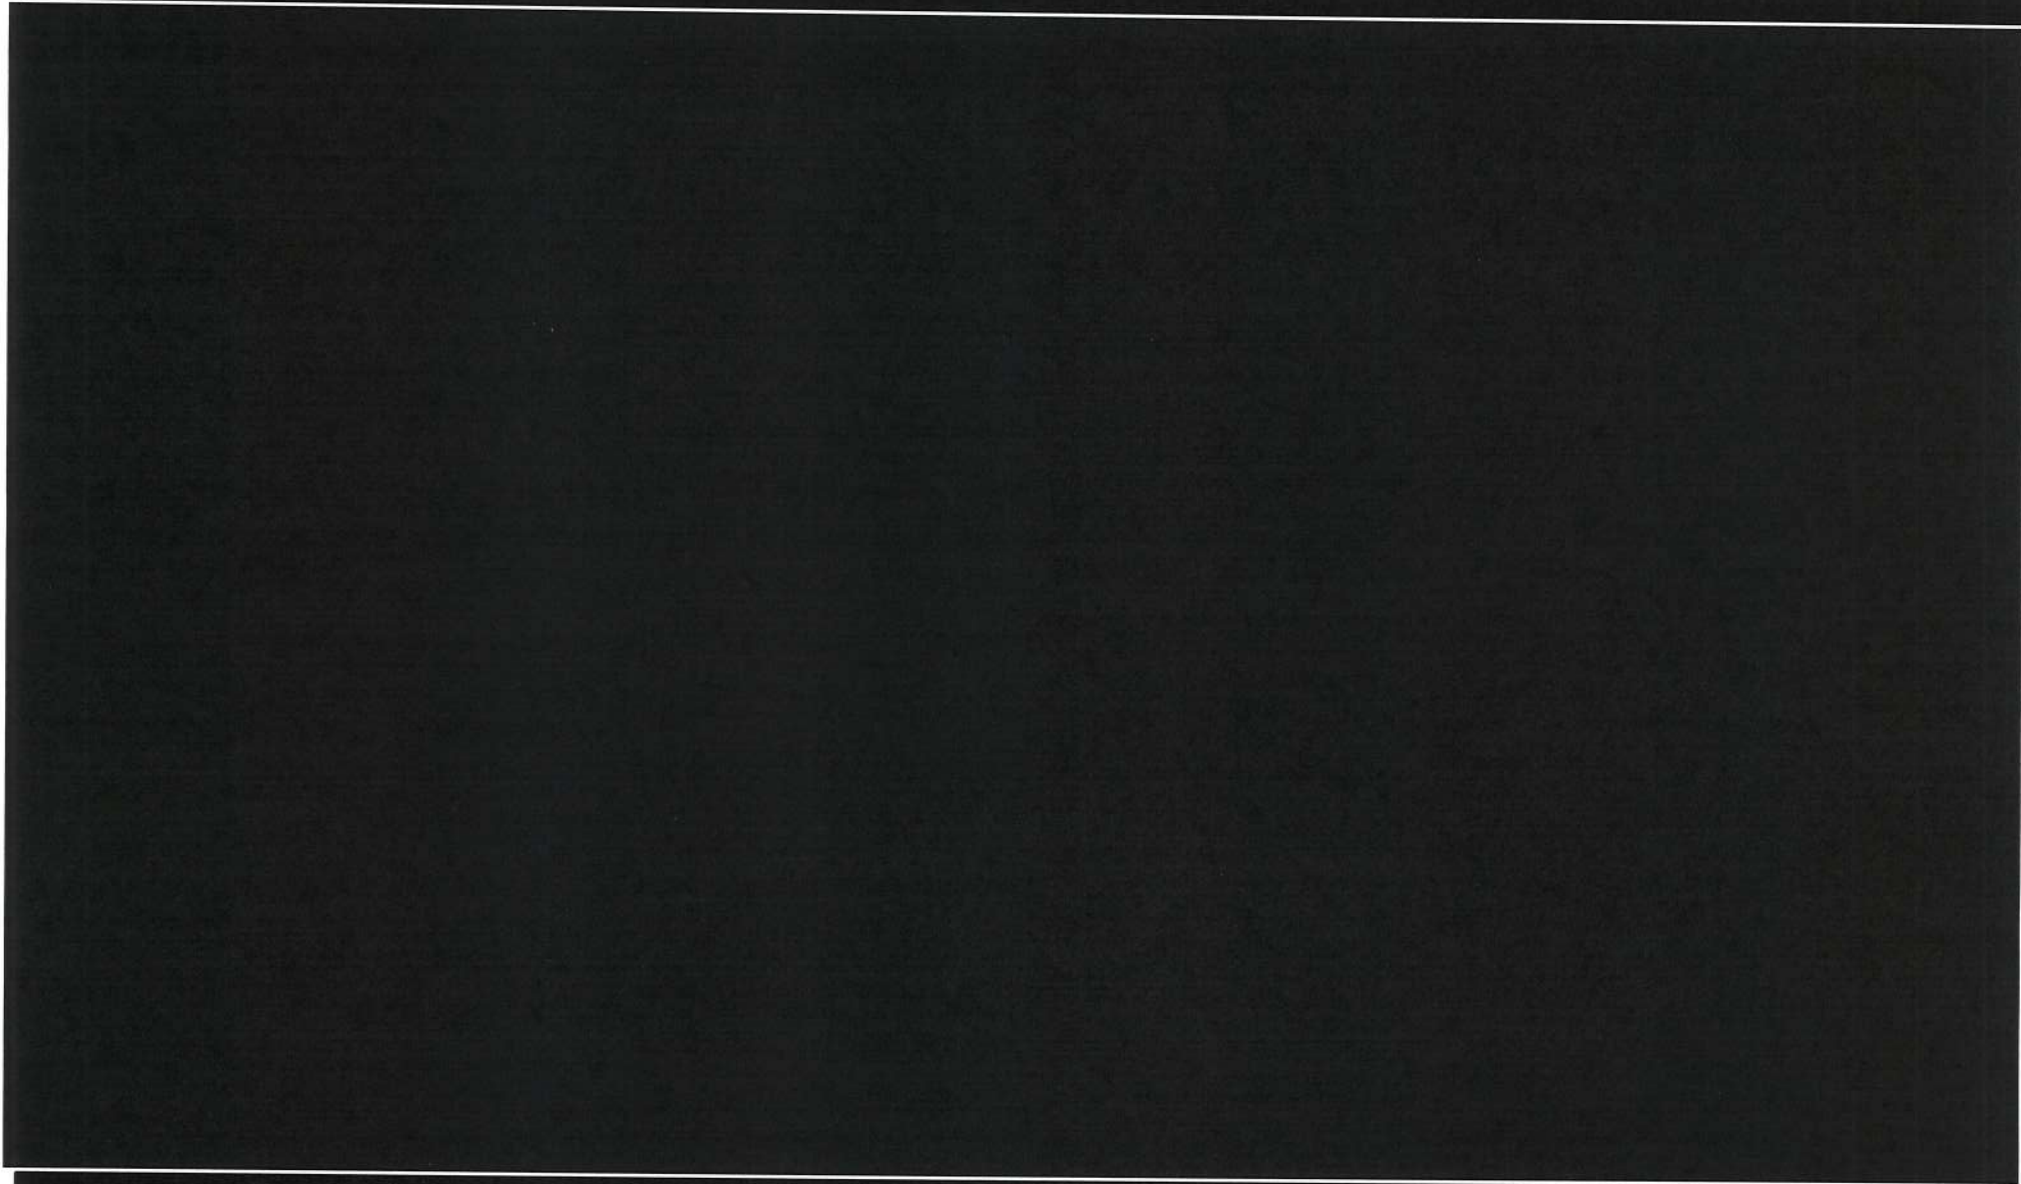

From the pre-departure phase until the hand-over in the third country of return

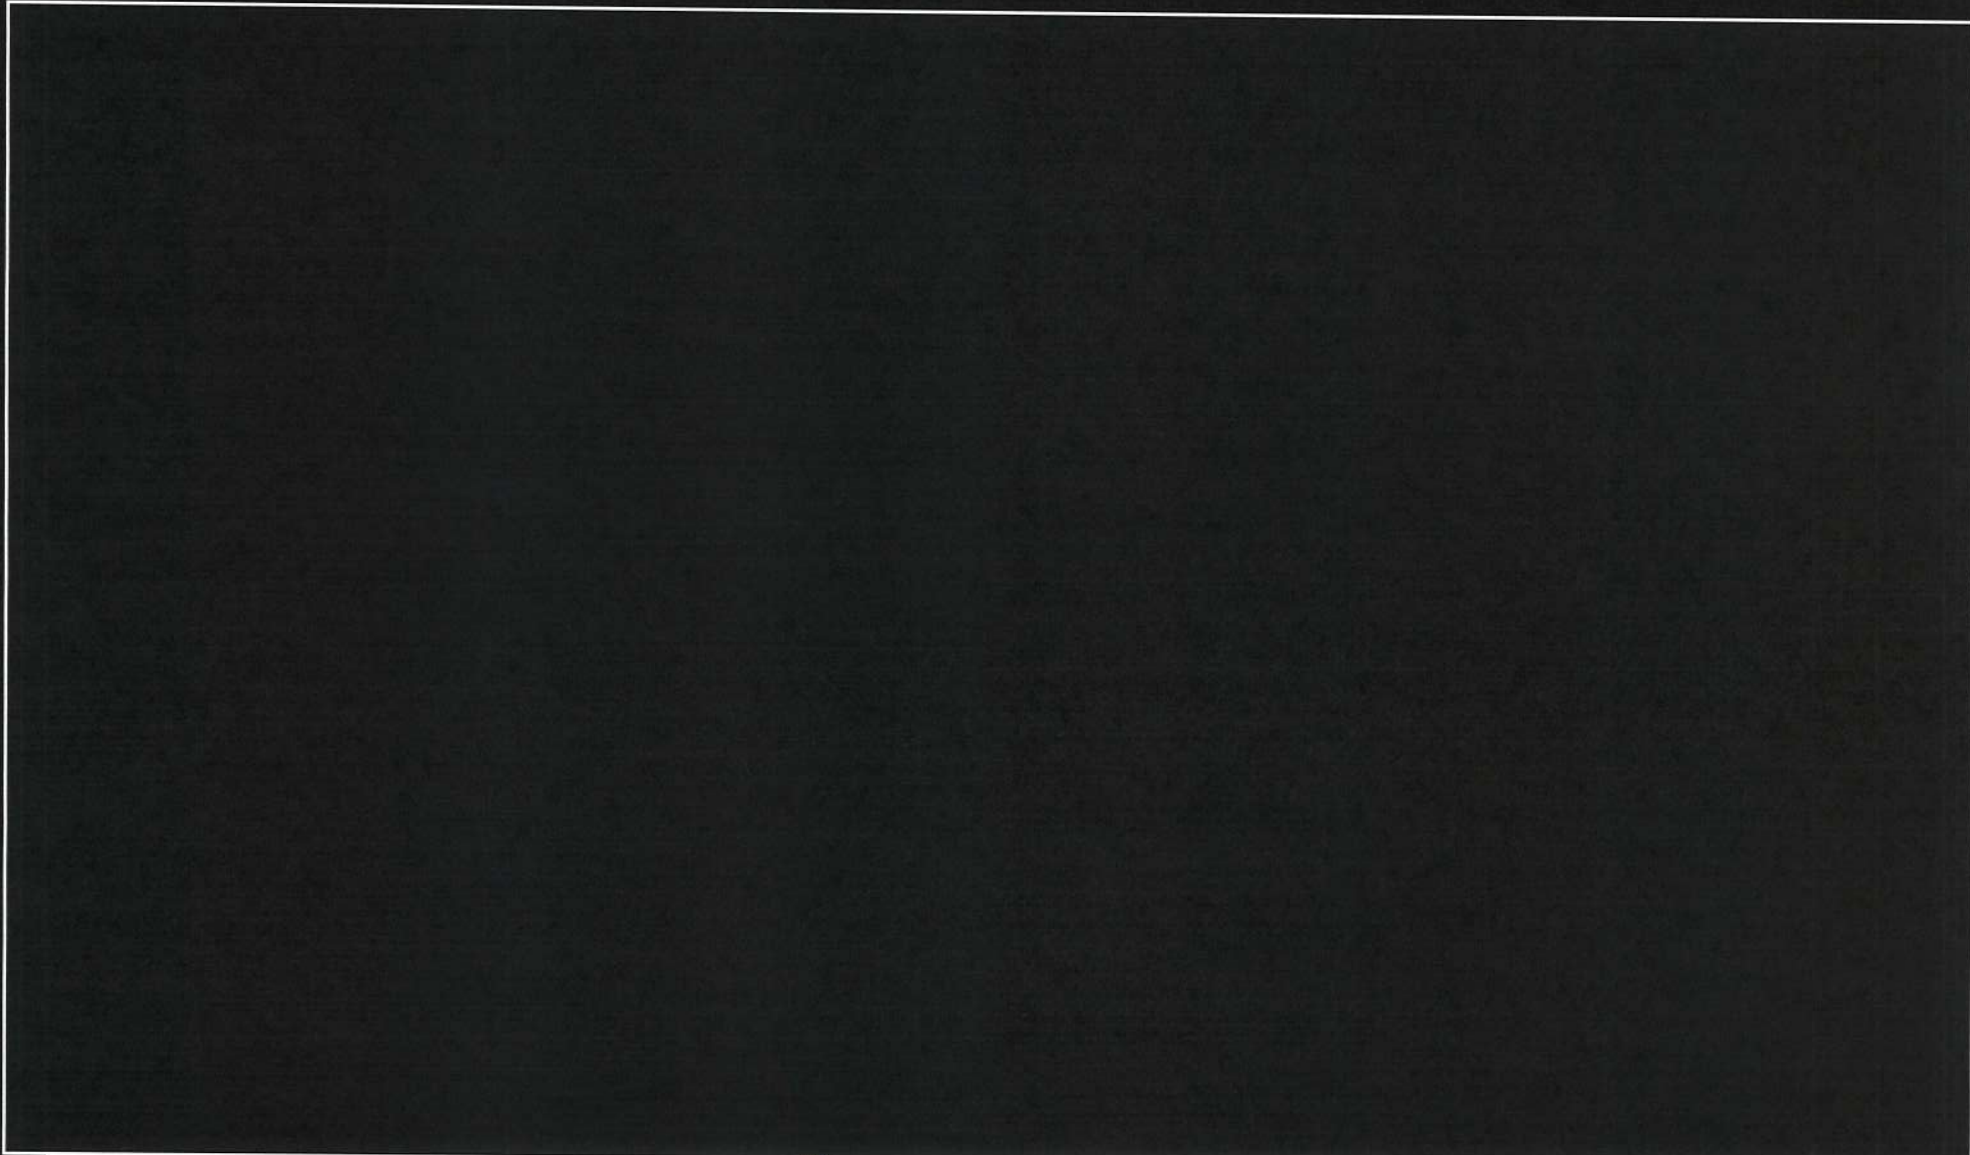

Submit a report on each forced-return operation.

Pool of forced-return monitors

- Created from competent bodies which carry out forced-return monitoring activities
- 23 Member States contribute to the pool (71 monitors in total)
- Independent observers
- Trained by Frontex
