**Subject:** Call/ introduction

Dear Mr Hager,

We haven't had the pleasure yet to meet in person or by video/call. I used to be in the team of Dr Wolfgang Weber the previous head of EU Basf Office and would be very pleased to have the chance to briefly connect, introduce myself and exchange on some of our key low carbon process technology projects that will further support the Green Deal.

Would you be available for a call/ coffee in the course of next week?

All the best,

Shradha Abt
