Dear Maciej,

Thank you and your colleagues Personal data and Perso so much for our meeting last week. Persona and I really appreciated your willingness to meet with us despite this very busy period. It was a real pleasure to meet you all.

We look forward to engaging with you and with Commissioner Wojciechowski during this new legislative term – your portfolio certainly an interesting one and we look forward to further discussing the Long-Term Vision for Rural Areas; Farm to Fork and the recalibration of CAP among others. As discussed at our meeting there are different platforms that we could propose for the Commissioner as well as to you and other members of the Cabinet to share your priorities, get feedback and discuss with business.

First of all, our **Agriculture and Food Committee would be pleased to meet you to discuss more in depth the priorities and issues related to agriculture** as well as the problems the American agro-food companies are facing in the EU and what areas need improvement. Some of the most active members of the committee are representatives from Cargill; MSD; Herbalife; Amway; ADM; Syngenta. In terms of date and time, we'd be happy to accommodate your agenda on either **Friday, 13 March** (as of 14h) or **Monday, 16 March** (between 13h30 and 16h). Should you have more questions, my colleague Personal data (in cc), Personal data would be happy to assist you.

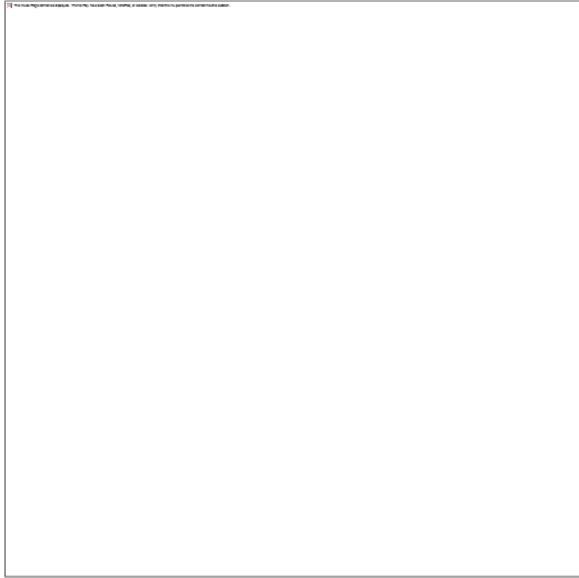

For future engagement with Commissioner Wojciechowski, one idea could be to build something around the **AmCham EU's Agro-Food Roundtable in mid-May** (date tbc). The event will gather participants from governments, international organisations, industry and NGOs and we usually co-organise this with the European Commission and US Department of Agriculture.

As follow up to our meeting, we also want to share with you, as discussed, our [Single Market study \(also attached\) and platform](#) as well as our [EU-US factsheet](#) (in attachment) that you were interested in. We hope that you can find it useful for your work in the Cabinet.

Looking forward to hearing from you. Please do not hesitate to reach out if we can help you further in any way as we stand ready to help. We wish you, the Commissioner and the entire team much success for the upcoming weeks, months and overall term.

Best regards,
