Dear

Thank you very much for your letter of 3 May 2022 sharing information on the settlement reached by your organisation with Volkswagen AG (VW). These are extremely valuable insights that demonstrate the relevance of your activity for the protection of consumers in mass harm situations.

We will certainly come back to you within our work on the transposition of the Directive on Representative Actions (EU) 2020/1828, in particular to continue discussion on the regulatory choices available to Member States under this Directive.

Yours faithfully,
