

Dear Mr Rudl,

We would like to consult you as a third party in the context of an application for access to documents that the European Commission received under Regulation (EC) No 1049/2001. In order for us to be able to keep the confidentiality required for the handling of access to documents requests, could you please indicate to us a private email address, where we can address our consultation letter?

Since the statutory time-limit for replying to this access to documents request is very tight, we would appreciate to receive your reply as soon as possible and in any case by **1 December 2022 cob**.

Please reply by email to: xx@xx.xxxxxx.xx

Thank you in advance.

Yours faithfully,

DG CONNECT Access to Documents Team
