Subject: Aircraft Leasing Ireland EU Visit

Dear John,

I am writing to you [REDACTED] [Aircraft Leasing Ireland](#), the representative body of all the major aircraft leasing companies based in Ireland, which is the global hub for aircraft lessors who provide c.50% of aircraft to airlines around the world.

Following our very constructive and informative meeting with you and your team in Brussels in March, there have been many developments in relation to both Russia and Taxonomy.

We are planning to visit Brussels between the 31st May and 2nd June and following discussions and guidance from Henrik Hololei, Director-General Move, whom we are also meeting, we would like to meet with you and your team again during these days at a time that is convenient to you. I will be accompanied by [REDACTED] FPG Amentum, who was instrumental in Aircraft Leasing Ireland's submission to the EU on Taxonomy.

If possible to please let us know some suitable time slots to meet with you and your team, either separately or together on both topics. We fully appreciate this is a very busy time at the EU Commission, however, we believe regular communication and cooperation during these unprecedented times will be beneficial to all.

We look forward to hearing from you.

Best Regards,
