**Attachments:** Mizuho TCB - Oct 22 - Mr Beltramello.docx

Dear Mr Beltramello,

We hope this email will find you well.

With apologies for a short notice, I am writing to you [REDACTED] who will be in Brussels on 10 and 11 October and would like to take this opportunity to request a meeting with you, should you be willing/able to meet.

Mizuho would very much appreciate the opportunity to discuss the Banking Package and its most recent developments, in particular related to **the third country branches rule**. More widely, like all the global financial institutions, Mizuho closely monitors regulatory developments in all key jurisdictions in which they operate and therefore would very much like to exchange views on the broader economic and political challenges affecting the EU landscape. Lastly, Mizuho would also be curious to hear about what matters are currently of interest to you and share ideas.

Attached, you will find a summary of our main concerns and points that we would be very happy to discuss further with you during a meeting.

Thank you in advance for your consideration of this invitation. Please do not hesitate to contact me if you require any additional information in relation to this meeting request.

For reference, a short background on Mizuho can be found at the end of this email.

Kindest regards,

[REDACTED]
