Subject: Meeting DG GROW - EIT RawMaterials - 15 December - Flash report

Dear Peter,
See below the flash report from the meeting between DG GROW and EIT RawMaterials

.....
Participants:

EIT RawMaterials: [REDACTED] (EIT RawMaterials - [REDACTED])
[REDACTED] (EIT RawMaterials - [REDACTED])
DG GROW: Joaquim Nunes de Almeida (JNA) (DG GROW I – director), [REDACTED] (DG GROW, I1 – [REDACTED])

The meeting (on-line) took place on request of EIT RawMaterials on 15 December 2022 with the purpose to align on various EU raw materials related activities.

The main topics discussed:

- 1) Raw materials diplomacy – partnerships – EIT RawMaterials / ERMA engagement
JNA presented the overview of DG GROW's (with other EC services) increasing policy activities in this domain and the need for ERMA's / EU industry solid engagement.
- 2) [REDACTED] presented shortly the EIT RawMaterials contribution to the public consultation on CRM Act (Attached) consisting of 9 main points. DG GROW welcome the contribution and shortly presented the status of the CRM Act development (e.g. completion of the Impact assessment).
- 3) Clean Technology Materials Task Force
[REDACTED] acknowledged good last meeting in the wider format. EIT RawMaterials is now following bilaterally with interested banks each presented projects selected by them and will keep DG GROW informed.
- 4) EIT RawMaterials Policy Advisory Board
Status of the preparation of the "Guidance on Policy Advisory Board (PAB) of EIT Raw Materials" was discussed.
