Titre: Flash report - CAB and airline representatives 25 October 2022.

Meeting between CAB and airline representatives, 25 October 2022.

Attendees:

Airlines: [REDACTED] (EasyJet), [REDACTED] (Ryanair), [REDACTED] (TUI), [REDACTED] (IAG), [REDACTED] (Wizz Air)

MOVE: [REDACTED] CAB: [REDACTED]

Topics discussed:

- Market overview and outlook for the coming year
- Ownership and Control, in the context of the revision of the Air Services Regulation The airline representatives stressed the need for more capital investment in the airline sector, indicating that further liberalization of O&C rules could open up a broader investment base to support the capitalisation of airlines and therefore increase their ability to invest in future technologies to achieve net zero emissions and remain competitive.
